LIFE AT IIT BHILAI

Along with a well-equipped and growing gym, the institute not only promotes the physical fitness of the students but also conducts many awareness programs, mental health workshops, and Newsletter Tuesdays focused on reducing academic stress and encouraging a healthy lifestyle. Students are regularly made aware of the precautions to take during cold nights and extreme heat to avoid illness, reflecting the institute's commitment towards their overall physical and mental well-being.

The mess provides the students with a well-rounded balanced diet, along with added provisions of commemorative feasts as well as religious fasting meals to cater to the diverse needs and traditions of the student community. Along with this, the institute has several cafes that serve as comfortable spaces for students to relax, socialize, and refresh themselves during their daily routine.

In essence, life at IIT Bhilai is far more than just an academic pursuit—it is a holistic journey of growth, discovery, and self-expression. Beyond classrooms and laboratories, students engage in cultural, technical, and recreational activities that help them develop leadership, teamwork, and interpersonal skills. The institute nurtures not just technically proficient engineers and scientists, but well-rounded individuals equipped with the curiosity, resilience, and creativity to make a meaningful impact on the world.

GLIMPSE OF STUDENT ACTIVITIES

NSO :

The National Sports Organisation (NSO) offers a structured program that requires all enrolled first-year students to participate in sports and yoga, dedicating a portion of their time to physical wellness. Students select a sport of their choice, which helps them build discipline, teamwork, and a healthy lifestyle. This initiative cultivates a deep sense of passion and sportsmanship, encouraging students to explore interests beyond academics.

One of the major advantages of NSO is that it improves the physical health of students. Regular exercise and participation in sports helps students remain active, energetic, and healthy. Physical activities increase stamina, concentration, and reduce the chances of illness. In today's busy academic life, sports also help students relieve stress and maintain mental stability and peace.

Moreover, NSO provides a dynamic platform for students to showcase their skills in various sports, including football, badminton, cricket, athletics, basketball, table tennis, yoga, aquatics, and more. Recreational games also form a part of the experience, making NSO a holistic approach to student development. Through regular training sessions and intra-college events, NSO helps instill values of resilience, focus and mutual respect that are essential both on and off the field.

National Sports Organisation
NSO

At the National Sports Organization(NSO),we believe that sports are not just about competition but about building discipline, teamwork, resilience, and character. Whether you're aiming for victory, trying a new sport, or simply having fun with friends and teammates, there's something for everyone. Play fair, uphold the spirit of sportsmanship, and make the most of the exciting and innovative sporting events planned ahead. I look forward to seeing you create memories, embrace challenges, and discover your potential both on and off the field.

Sudhiksha Mattewada
NSO Secretary

Chaitanya Menghal
NSO Secretary

Welcome to IIT Bhilai!
College life is going to be a mix of deadlines, memories, random midnight talks, sports, fests, and experiences you'll remember for a long time. Don't hesitate to explore new things, meet new people, and step out of your comfort zone. And whenever academics get overwhelming, the grounds are always there waiting for you :)
Looking forward to seeing you all on campus!

National Service Scheme
NSS

Lanka Devi Satwika
NSS Secretary

The National Service Scheme (NSS) is a Government of India initiative under the Ministry of Youth Affairs & Sports — and at IIT Bhilai, it's a movement. We are students who believe that engineering minds can solve more than technical problems. Through hands-on community service, social outreach, and grassroots engagement, we work alongside the communities surrounding IIT Bhilai to create meaningful, lasting change. NSS isn't just about giving back — it's about growing together. Our platform bridges student innovation with community wisdom, turning ideas into impact. The activities conducted by NSS IIT Bhilai at regular intervals are showcased in our throwback video.

Motive

o To understand the community in which we work.
• To identify the needs and problems of the community and make a sincere attempt to solve the same.
• To develop among ourselves a sense of social and civic responsibility.
• To utilize our knowledge in finding practical solutions to individual and community problems
• To develop competence required for group-living and sharing of responsibilities.
• To gain skills in mobilizing community participation, acquire leadership qualities and democratic attitudes develop capacity to meet emergencies and natural disasters.
• To practice national integration and social harmony

GLIMPSE OF STUDENT ACTIVITIES

NSS :

"Serve the Society, Shape the Nation"

This powerful motto captures the essence of the National Service Scheme (NSS) at IIT Bhilai. The program is designed to nurture socially responsible and compassionate individuals with a deep commitment to civic duties and ethical leadership. The Students enrolled in NSS actively participate in various community-driven initiatives that encourage empathy, teamwork, and real-world engagement beyond academic life. Through a structured set of activities, NSS helps students grow into responsible citizens while making meaningful contributions to society.

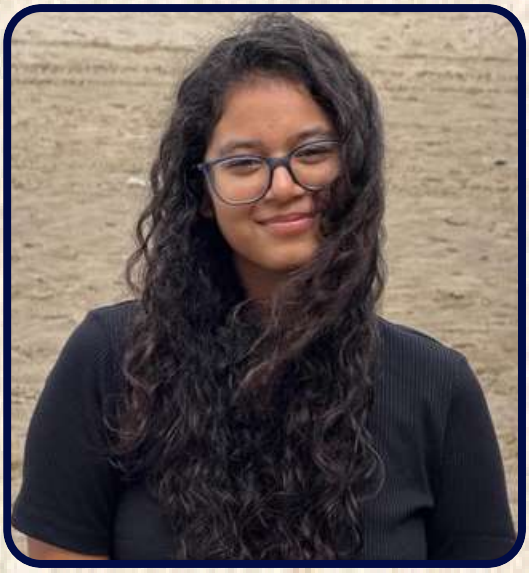

The program frequently partners with local NGOs and organizes impactful events such as educational outreach visits to schools, blood donation drives, charity fundraisers, and environmental campaigns like tree plantations and cleanliness drives. NSS also helps students understand the real problems faced by society, by visiting villages and participating in social service activities and thus students gain practical knowledge about issues such as poverty, illiteracy, health, and environmental problems. This creates awareness and encourages students to contribute positively to society. By volunteering time and effort for the greater good, NSS volunteers not only uplift those around them but also undergo personal transformation, emerging as humble individuals.

GLIMPSE OF STUDENT ACTIVITIES

EBSB(EK BHARAT SHRESTH BHARAT)

LED BY ARUSHI RAWAT

EBSB Coordinator

EBSB is a national initiative dedicated to celebrating the incredible cultural diversity of India. Behind every cultural event, outreach campaign, and storytelling initiative is a team working tirelessly (and sometimes chaotically!) to make it all happen.

EBSB is a platform that bridges states, traditions, and communities. Launched in 2015 by the Government of India, it is a flagship cultural integration program designed to celebrate the nation's diversity, promote mutual interaction, and strengthen emotional bonds between the people of different states and union territories.

From state pairing exchanges, folk dance and music showcases, ethnic nights, food festivals, celebration of festivals like janmastami, onam and language learning workshops to storytelling sessions and historical discussions, EBSB creates opportunities for students to connect with different traditions.

GLIMPSE OF STUDENT ACTIVITIES

PRAYATNA :

"Prayatna" is IIT Bhilai's flagship annual sports tournament and a highlight of student life on campus which generally occurs in 3 Phases. The word "Prayatna" itself means efforts or determination, which perfectly reflects the spirit of sportsmanship, teamwork, and hard work shown by the students during the event. It is a celebration of athletic spirit, where students from all academic years come together to compete and contribute to their teams with zeal and determination. This two-month-long extravaganza is packed with energy and enthusiasm, offering a perfect blend of competition and camaraderie.

The main attraction of Prayatna is the competition among eight different teams. Each team represents unity, dedication, and competitive spirit. The teams compete against one another in various sports– from indoor games like chess and table tennis to outdoor games such as football, volleyball, basketball, cricket, badminton and athletics. Prayatna is more than just a sports fest – it brings people together, instilling a strong sense of community and pride among both participants and spectators.

It reflects IIT Bhilai's dedication to shaping well-rounded individuals and embodies the relentless "Never Give Up" spirit of its students – a mindset rooted in perseverance, passion, and the pursuit of excellence.Every match, every cheer echoes the resilience that defines us. Thus, Prayatna truly proves that champions are not born; but created through determination, teamwork, and perseverance.

GLIMPSE OF STUDENT ACTIVITIES

ANVESHAN :

"Anveshan" is IIT Bhilai's flagship Intra-institute cultural championship and one of the most awaited events of the academic year. The word "Anveshan" means exploration or discovery, and the event truly reflects the discovery of creativity, talent, and artistic excellence among students. Held annually, it spans over two weeks and celebrates the artistic diversity and creativity of the student community. Organized under the guidance of the Council of Student Affairs (CoSA), Anveshan features an exciting line-up of events from various cultural clubs including music, dance, drama, fine arts, photography, literature, and quizzes.

Each Day is themed around specific clubs, giving participants ample opportunity to compete, collaborate, and celebrate. Anveshan is not just a competition but also a platform for students to express their talents and creativity. It helps students build confidence, improve communication skills, and overcome stage fear. Students learn the importance of teamwork, discipline, leadership, and coordination while organizing and participating in different events. The event serves as a platform for students to express themselves, break creative boundaries, fostering a healthy spirit of competition.

The performances reflect not just talent but also the immense effort that goes into preparation and coordination. Anveshan has grown over the years in scale and impact, becoming a cornerstone of student life at IIT Bhilai. It promotes cultural literacy while creating unforgettable memories that define the IIT Bhilai experience. Thus, Anveshan is not merely a cultural event — it is a grand celebration of talent, creativity, unity, and passion that inspires every student to explore their true potential.

INTER-IIT MEETS :

The Inter-IIT Meets are prestigious annual gatherings where students from all IITs come together to compete, collaborate, and celebrate excellence across three major domains — Science and Technology, Cultural, and Sports. Representing one's institute at these PAN-India level meets is considered a mark of honor and pride. Students prepare for months to represent their IIT and compete with pride and dedication. Winning medals and trophies at Inter IIT is considered a great achievement and brings honor to the institute. These events provide students with an exceptional platform to showcase their talent, innovate in their fields and build lifelong bonds with peers from across the IIT ecosystem.

Each meet spans several days of intense competition, learning, and camaraderie, fostering a healthy spirit of rivalry and mutual respect. The Inter IIT event originally started as a sports competition known as the Inter IIT Sports Meet, where students participated in games such as cricket, football, basketball, volleyball, athletics, badminton, table tennis, hockey, chess, and many other sports.

Over time, the event expanded to include technical and cultural competitions as well. Every year, different IITs take turns hosting these meets, making each edition unique and memorable. Last year, IIT Madras in collaboration with IIT Tirupati hosted the Sports Meet, IIT Kanpur welcomed the participants for the Cultural Meet and IIT Patna organized the Sci-Tech Meet.

These large-scale events not only highlight the academic and extracurricular prowess of participants but also promote inter-institute collaboration and institutional pride. Whether you're cheering from the sidelines or competing at the forefront, the Inter-IIT Meets offer an unforgettable experience that defines the spirit of being an IITian.

INTRA-COLLEGE EVENTS :

IIT Bhilai's intra-college events form a vibrant part of campus life, offering students diverse opportunities to explore their interests beyond academics. Cultural activities are anchored by flagship events like Anveshan, a week-long cultural championship featuring competitions in music, dance, theater, art, and literature. From Ciao, which welcomes freshers to Cultscape, the grand cultural finale bidding farewell to seniors, these events reflect the vibrant spirit of the college and provide inclusive platforms for expression and talent. Various clubs—including Swara (Music), Beathackers (Dance), Drishya (Drama), TPS(The Pixel Snappers), FPS(Film Production Society) and Quizzotica (Quiz)—host frequent eventsand workshops, encouraging active student participation throughout the year. On the sports front, Prayatna is the major intra-institute tournament, spanning several months and involving over 450 students.

It includes events like cricket, football, volleyball, badminton, chess, table-tennis, chess and athletics. The institute also celebrates National Sports Week with engaging activities like tug of war, arm-wrestling, marathons, and chess tournaments. Sports clubs are well-equipped and cater to both beginners and advanced players, with teams preparing for Inter-IIT Competitions in which winning medals for the institution is considered a mark of honor and pride. The Yoga and Athletics clubs further promote wellness and fitness on campus. These events and clubs together foster a strong sense of community, encourage healthy competition, and helps the students develop leadership, teamwork, and creative skills, enriching their overall experience at IIT Bhilai.

College Fest

MERAZ :

It's time for the most awaited event at IIT Bhilai — MERAZ, the annual techno-cultural extravaganza where innovation meets creativity and diverse talents converge. The word "Meraz" represents growth, achievement, and excellence, which reflects the true spirit of the fest. First celebrated in 2018, Meraz has grown into a celebration of ideas, energy, and self-expression. The fest is a perfect blend of technology, culture, creativity, and entertainment, providing students with an opportunity to showcase their talents and innovative ideas.

MERAZ :

Every year, Meraz attracts enthusiastic participation from students across different colleges and creates an atmosphere filled with energy, excitement, and celebration. From the elegance of fashion and culinary artistry to cutting-edge technology and vibrant stage performances, Meraz is where boundaries blur, and a new version of yourself is discovered.

Each night culminated in high-octane celebrations featuring live performances by “The Lost Fireflies” Band, DJ Afron’s Music and spectacular concert by the famous bollywood singer “Asees Kaur” making the evenings thrilling. These energetic performances created an unforgettable experience for every attendee.

Meraz 6.0, held this year, was a spectacular fusion of culture, technology, and fun, featuring a wide array of events, such as:

- Cultural performances including Fashion show, Murder mystery, General Quiz, MUN, Shutter Quest, Design Forward and Luminous Ink.
- Musical and dance events like Meraz Got Talent, open mic, band battles and street dance battles .
- Technical challenges such as Robo-Soccer, Line-Chasing Bot, Hackathons, CP contests, OpenQuest, VR+Drive X and FPGA Design Contest .
- Informal and fun-filled events including Box-cricket, Housie, Futsal(Football), Volleyball, Basketball and brain-teasing quizzes to spark wit and creativity.

COUNCIL OF STUDENT AFFAIRS (COSA)

CoSA, the Council of Student Affairs, comprises student representatives who promote holistic development at IIT Bhilai through various activities and facilitate communication of students' concerns to the institute authorities. The Council is led by the President and consists of General Secretaries of Academic, Science and Technology, Cultural and Media, Games and Sports, along with nominated members, the Events Head, the External Affairs head and Treasurer. The Council is democratically elected by the students of IIT Bhilai, except for the nominated members selected by the President.

Normally, the members hold office from the day they are elected to the end of March. CoSA strives to create a culture of diversity, tradition, to provide a plethora of opportunities for exploration and explication in all sorts of hobbies and pursuits, and maintains a liaison between institute's administration and the students to march towards academic excellence by identifying and addressing student issues. Diverse committees are functional that ensure the fulfillment of the needs and the well-being of the Student Community at large. The General Secretaries along with their secretaries and coordinators strive to continue the same.

COUNCIL OF STUDENT AFFAIRS (COSA)

DEVANSHU SABHARWAL
General Secretary of Academic Affairs

V. VARSHITA
Treasurer

SHUBHAM JHA
General Secretary of Games and Sport Affairs

KUMAR UTKARSH
Events Head CoSA

ADITYA SEOKAR
General Secretary of Science and Technology Affairs

ANDIYAPPAN ROHAN
General Secretary of Media and Cultural Affairs

STUTI JAIN
External affairs head

EXTERNAL AFFAIRS COUNCIL (OUTREACH COSA)

The External Affairs Council (OutReach CoSA) is the official link between IIT Bhilai and the outside world. The council builds meaningful partnerships with industries, startups, government organizations, research institutions, media houses, sponsors, and professionals, creating opportunities that contribute to the growth and visibility of the institute.

The council plays a key role in securing sponsorships for flagship event MERAZ and other institute initiatives. It also facilitates guest lectures, corporate interactions, publicity campaigns,media outreach, and long-term collaborations that strengthen IIT Bhilai's professional network and institutional presence.

Working closely with all student clubs, societies, and councils, External Affairs supports sponsorship outreach, external communication, vendor coordination, publicity, and brand building. The team helps connect student bodies with companies, mentors, performers, workshop speakers, and other external stakeholders, enabling them to organize impactful events and initiatives. Being a part of the council offers students valuable exposure to corporate communication, networking, sponsorship acquisition, negotiation, public relations, business development, and professional relationship management. Members work on real-world collaborations while developing leadership, communication, and teamwork skills that extend far beyond the classroom.

EXTERNAL AFFAIRS HEAD

2026-27

Stuti Jain

STUDENTS CLUBS

CULTURAL COUNCIL

At IIT Bhilai, culture is the heartbeat of campus life, providing students with a platform to express creativity, explore passions, and grow beyond academics. Led by the General Secretary of Cultural and Media Affairs, the Cultural Council fosters a vibrant ecosystem where art, performance, literature, media, and innovation thrive.

The council oversees a diverse family of clubs and societies, including Beathackers (Dance Club), Swara (Music Club), Renaissance (Art Club), Drishya (Dramatics Club), DesignX (Design Club), The Pixel Snappers (Photography Club), Film Production Society, GOALS (General Oratory and Literary Society), and Quizzotica. Together, they offer students opportunities to perform, create, lead, collaborate, and develop their talents.

Through stage performances, music nights, street plays, design showcases, debates, filmmaking, quizzes, workshops, and flagship events like Meraz – IIT Bhilai's Techno-Cultural Fest and Anveshan – the Cultural Championship, the council transforms campus life into a celebration of creativity and community.

Beyond events, the Cultural Council nurtures confidence, leadership, teamwork, and lifelong memories. It brings together students from diverse backgrounds, helping them discover hidden talents and build meaningful connections. At IIT Bhilai, culture complements academic excellence, ensuring that students not only earn a degree but also discover who they truly are.

GENERAL SECRETARY OF MEDIA AND CULTURAL AFFAIRS

2026-27

ANDIYAPPAN ROHAN

SOCIETIES

FPS (FILM PRODUCTION SOCIETY)

LED BY MANJOT SINGH AND ROHIT SONI

The Film Production Society (FPS), a part of the Cultural Council, is a creative community of passionate storytellers, cinematographers, editors, and actors who bring ideas to life on screen. FPS provides students with hands-on exposure to various aspects of filmmaking and helps them explore and develop their interests in different creative domains. Through short films, workshops, collaborative projects, sponsorships, and campus events, the society fosters creativity, teamwork, innovation, and a vibrant film culture while encouraging students to showcase their talent and potential.

GOALS (GENERAL ORATORY AND LITERARY SOCIETY)

LED BY VIDIT DEDHIA AND PRANAV GORE

The General Oratory And Literary Society is not just any society, it serves as a haven for one to harbor creativity, critical thinking and wield the acme of negotiation and conflict management. From our amusing stand-ups to elaborate debates, speeches and literary discussions everything leads to one goal, fostering the culture of eloquence, knowledge and purely insane enjoyment.

CLUBS

BEATHACKERS (THE DANCE CLUB)

LED BY NAGULAPALLI DHEERAJ

Beathackers, the official Dance Club of IIT Bhilai under the Cultural Council, is a vibrant space for rhythm, energy, creativity, and stage expression. The club brings together passionate dancers from different backgrounds and encourages them to explore various dance styles such as hip-hop, freestyle, contemporary, classical, and fusion. The club aims to build a strong dance culture on campus by conducting regular practice sessions, workshops, choreo-building activities, performances, and dance battles. Beathackers provides students a platform to learn, collaborate, improve their confidence, and showcase their talent in institute events, cultural nights, competitions, and inter-college platforms.

SWARA (THE MUSIC CLUB)

LED BY RATNABH ASATI

Swara is a vibrant community of singers, instrumentalists, composers, and music enthusiasts united by a shared love for music. The club provides a platform for students to explore their musical talents, refine their skills, and express themselves through diverse genres and performances. Through live concerts, jam sessions, open mics, workshops, competitions, and special musical events, Swara enriches campus life and creates memorable experiences for both performers and audiences. The club also proudly represents IIT Bhilai at cultural festivals and inter-collegiate events, showcasing its musical talent beyond the campus.

DESIGN X

LED BY PARINITHA PULIPATI

At the heart of the Cultural Council's creative vision, DesignX serves as the go-to hub for students passionate about graphic design, UI/UX, and the art of visual communication. From building brand identities and crafting eye-catching posters to designing seamless website interfaces and immersive interactive experiences, the club empowers members to push the boundaries of their digital creativity. Members sharpen their skills through hands-on workshops, take on real-world collaborative projects, and put their talent to the test in competitions, all while working with the same industry-standard tools used by professionals.

DRISHYA (THE DRAMATICS CLUB)

LED BY NIKHILA ANALA

Drishya, the Dramatics Club of the Cultural Council, is a dynamic platform that nurtures creativity, confidence, and artistic expression among students. The club provides opportunities to explore acting, scriptwriting, direction, production, technical work, and stage management through impactful performances and collaborative learning. From intense stage plays to socially driven nukkad nataks, Drishya encourages students to use theatre as a medium for storytelling and change. The club continuously works towards creating meaningful performances that entertain, inspire, and engage audiences across campus and beyond.

RENAISSANCE — THE FINE ARTS CLUB

LED BY JALAJ

Where imagination meets craftsmanship.
Renaissance is IIT Bhilai's creative sanctuary for artists of every kind — from painters and sketchers to calligraphers and digital artists. Through workshops, art sessions, event decorations, and representation at the Inter IIT Cultural Meet, we shape the visual soul of the campus. But more than a club, we are a close-knit, happy family where creativity and fun go hand in hand. Whether you're a seasoned artist or someone who's never picked up a brush — if you have the urge to create, Renaissance is your home.

QUIZZOTICA

LED BY ISHAN CHATTERJEE

Fuel your curiosity with Quizzotica, the ultimate hub for quiz enthusiasts under the Cultural Council. This is where intellect meets adrenaline in high-energy battles of knowledge spanning science, history, pop culture, sports, and beyond. Join us to test your fast-thinking skills, sharpen your mental recall, and grow alongside the sharpest minds on campus.

THE PIXEL SNAPPERS (PHOTOGRAPHY CLUB)

LED BY BHARATH KUMAR R B

The Pixel Snappers, the Photography Club of the Cultural Council, is a visual storytelling hub where students capture moments that define campus life. It brings together photography enthusiasts who explore various genres, including portrait, landscape, street and event photography, refining their creative experimentation. The Pixel Snappers ensures that performances, competitions, and candid campus experiences are beautifully documented.

STUDENTS CLUBS

SCI TECH COUNCILS

The Sci-Tech Council serves as a dynamic hub of innovation, curiosity, and technical excellence at IIT Bhilai, bringing together students passionate about science and technology. Led by the General Secretary of the Science and Technology Council, it encompasses ten active clubs and societies covering diverse domains such as coding, ethical hacking, web development, robotics, astronomy, open source, artificial intelligence, data science, and more. Through workshops, projects, competitions, and collaborative events, these clubs provide students with opportunities to explore specialized fields, transform theoretical knowledge into practical applications, and develop valuable technical skills.

Beyond academics, the council fosters a culture of creativity, collaboration, and continuous learning, welcoming students of all experience levels to innovate, build, and grow together. As a cornerstone of IIT Bhilai's commitment to experiential learning and technological advancement, the Sci-Tech Council empowers students to become future innovators, problem-solvers, and leaders, and looks forward to the remarkable contributions they will make to this thriving community.

GENERAL SECRETARY OF SCIENCE AND TECHNOLOGY AFFAIRS

2026-27

ADITYA GIRISH SEOKAR

SOCIETIES

SPACE EXPLORATION SOCIETY: ASTRONOMY AND AERONAUTICS SOCIETY

LED BY FENIL DEVGANIYA AND ISHAAN SHUKLA

The Space Exploration Society (SES) is IIT Bhilai's premier astronomy and aeronautics society, dedicated to exploring the wonders of space and flight. Through telescope observations, astrophysics activities, aeromodelling projects, RC aircraft, drones, and drone swarms, SES provides students with exciting opportunities to learn and innovate. By organizing workshops, observation sessions, competitions, and hands-on projects, the society fosters curiosity, technical skills, and a passion for discovery, welcoming all students interested in exploring the cosmos and aerospace technologies.

MOTORSPORTS

LED BY TANISHQ

IIT Bhilai Motorsports is a student-driven technical club that promotes innovation in automotive engineering through hands-on learning and competitive projects. Team Agnishul, the club's official BAJA SAEINDIA team, designs, manufactures, and tests All-Terrain Vehicles (ATVs) for national-level competitions.
With over 30 dedicated members, the club provides practical experience in vehicle design, analysis, manufacturing, testing, and problem-solving while fostering teamwork and leadership. Join IIT Bhilai Motorsports to turn your passion for engineering into real-world innovation.

OPENLAKE: THE OPEN SOURCE DEVELOPMENT SOCIETY

LED BY ASHISH KUMAR DASH

OpenLake is IIT Bhilai's vibrant open-source community, dedicated to fostering innovation, collaboration, and continuous learning through the spirit of open-source development. By building, breaking, fixing, and improving projects, members gain hands-on experience with real-world software while contributing to impactful technologies. Whether you are an experienced developer or just starting your coding journey, OpenLake provides a welcoming environment to learn, collaborate, and grow alongside a passionate community of creators and problem-solvers. See you soon in the flow.

BIB: BLOCKCHAIN SOCIETY OF IIT BHILAI

LED BY VIJAY SHANKAR TIWARI

Blockchain Innovation Base (BIB) is IIT Bhilai's student community for blockchain and Web3 enthusiasts, dedicated to exploring decentralized technologies through projects, workshops, research, and collaborative learning. Members gain hands-on experience in areas such as smart contracts, decentralized finance (DeFi), NFTs, and emerging Web3 innovations while developing practical solutions to real-world challenges. Whether you are a beginner or an experienced developer, BIB offers a platform to learn, innovate, and grow within a vibrant blockchain community.

CLUBS

DSAI CLUB - DATA SCIENCE AND ARTIFICIAL INTELLIGENCE

LED BY VATSAL YADAV AND SIDDHESH BANSAL

The DSAI Club at IIT Bhilai explores the exciting fields of data science, artificial intelligence, and machine learning through hands-on projects, workshops, research initiatives, and peer learning. As a collaborative platform for innovation and problem-solving, the club enables students to develop practical skills, explore emerging technologies, and build intelligent, data-driven solutions. The DSAI Club warmly welcomes you to IIT Bhilai and looks forward to being a part of your journey in the world of data and AI.

INGENUITY: COMPETITIVE PROGRAMMING CLUB

LED BY ANKIT GUIN AND KRRISH AGARWAL

Ingenuity is a student-led initiative dedicated to algorithms, problem-solving, and competitive programming. Through coding contests, technical workshops, and peer-driven challenges, it provides a platform for students to enhance their logical thinking, algorithmic skills, and coding proficiency. By fostering collaboration, learning, and healthy competition, Ingenuity empowers members to tackle challenging problems and grow as programmers. Gear up to explore the world of logic and innovation—we look forward to coding our way to success together.

THE EPSILON CLUB -ROBOTICS CLUB

LED BY GITIKA BANSAL AND RUDRA GAJERA

Epsilon is IIT Bhilai's Robotics and Mechatronics Club, dedicated to fostering innovation, creativity, and technical excellence. Established in 2017 with the motto "Imagine, Invent, Inspire," the club provides a platform for students passionate about technology to transform their ideas into real-world projects and prototypes. Through hands-on learning, technical workshops, collaborative projects, and innovation-driven activities, Epsilon helps members develop practical skills, critical thinking, and a strong engineering mindset. Whether you are an experienced builder or a curious beginner, Epsilon welcomes you to learn, create, and build the future together.

SPECTRE – THE CYBERSECURITY CLUB

LED BY RAHUL SAHA AND ARPIT MOHAPATRA

Spectre, the Cybersecurity Club of IIT Bhilai, is a community of security enthusiasts dedicated to developing skills to tackle modern cybersecurity challenges. Through CTFs, hands-on sessions, workshops, and collaborative learning, the club fosters practical experience, problem-solving, and teamwork. Whether you are a beginner or an experienced hacker, Spectre offers a platform to learn, grow, and help secure the digital future—one byte at a time.

ELECTROMOS - ELECTRONICS CLUB

LED BY S SOMA SAI RAKESH

Electromos is IIT Bhilai's electronics club, dedicated to exploring IoT, embedded systems, circuit design, and simulation. Through workshops, hands-on projects, and collaborative learning, members gain practical experience in electronics, microcontroller programming, and IoT-based solutions. The club fosters innovation, technical skills, and creativity, providing a platform for students of all experience levels to learn, build, and shape the future of electronics technology.

DEVELOPERS STUDENT CLUB(GDG)

LED BY SWARIT DIXIT

The Developers Student Club (DSC) is a vibrant community that empowers students to grow as developers through peer-to-peer learning and hands-on experiences. Focused on areas such as app and web development, cloud computing, open-source contributions, and real-world projects, DSC helps bridge the gap between academic learning and industry-relevant technologies. Through workshops, hackathons, coding sessions, and tech talks, the club fosters innovation, collaboration, and continuous learning. Whether you are a beginner or an experienced programmer, DSC provides a platform to build, learn, and grow together.

SCI-TECH

SPORTS COUNCIL

The Sports Council at IIT Bhilai is one of the most dynamic student communities on campus, promoting fitness, discipline, teamwork, leadership, and sportsmanship. It provides a platform for students of all skill levels to participate, learn, compete, and grow through sports.

The council actively encourages participation in a wide range of sports, including football, cricket, badminton, basketball, volleyball, chess, table tennis, athletics, yoga, kabaddi, kho kho, tug of war, e-sports, and more. Throughout the year, various tournaments, leagues, and recreational activities foster a culture of healthy competition and active living across the campus.

Students who excel in their respective sports earn the opportunity to represent IIT Bhilai at the prestigious Inter IIT Sports Meet, competing with athletes from IITs across the country. The council also organizes Prayatna, IIT Bhilai's flagship inter-college sports tournament, which brings together participants from various institutions and celebrates the spirit of competition, camaraderie, and sports excellence.

Whether your goal is competitive achievement, personal fitness, or simply enjoying the thrill of the game, the Sports Council offers an inclusive environment where every student can thrive and be a part of IIT Bhilai's vibrant sporting culture.

SPORTS

SPORTS AT IIT BHILAI

CHESS

Dive into our vibrant and expanding chess culture. We provide year-round engagement through readily available chess boards and clocks, facilitating regular casual games, intensive practice sessions, training activities, and campus-wide tournaments.

Join our official Lichess online chess team, boasting over 180 members, where players of all skill levels connect through online tournaments, practice games, and team events. For Inter IIT Sports Meet preparations, selected players receive advanced support, including premium Chess.com memberships for specialized training and analysis. Stay informed and connected via a dedicated community website that provides real-time board availability, tournament updates, player rankings, top performer recognition, and all the latest announcements across campus.

TABLE TENNIS

Experience our robust table tennis infrastructure accessible across the Gopad, Kanhar, and Indravati hostels. With two tables available in both Gopad and Kanhar, and three high-quality tables situated in Indravati, students enjoy ample space for recreational play and consistent skill development.

Indravati features a specialized professional environment, complete with professional-grade vinyl flooring mats and a table tennis robot dedicated to intensive Inter-IIT preparation. Meanwhile, Gopad and Kanhar offer superior playing conditions with well-maintained wooden flooring designed for a premium athletic experience.

To ensure top-tier performance, every hostel is outfitted with professional equipment, including four Stag 1 Star and two GKI Dragon rackets. Our campus fosters a dynamic and comprehensive atmosphere that caters to both casual enthusiasts and competitive athletes alike.

SPORTS AT IIT BHILAI

BASKETBALL

Engage in our high-energy basketball scene on our single professional-grade concrete court, which is available for play throughout the day. The facility is equipped with modern floodlights for evening sessions, and enthusiasts can easily secure equipment by coordinating with the sports leads. Our campus maintains a welcoming and supportive team environment that encourages players of all levels to participate and thrive.

BADMINTON

Immerse yourself in our flourishing badminton community, which currently stands as one of the most celebrated sports on campus. We offer dedicated infrastructure with two well-maintained courts located in every hostel, ensuring consistent access for all residents. To support both casual play and competitive practice, professional-grade rackets and shuttles are readily available, fostering a vibrant athletic culture across the university.

CRICKET

Our campus features a comprehensive cricketing infrastructure, highlighted by two full-sized, professionally maintained cricket grounds that serve as the centerpiece for both training and competitive play.
To facilitate consistent skill development, we provide extensive practice facilities including two permanent outdoor nets alongside two versatile movable nets, ensuring ample space for batting and bowling drills.

The facility is fully stocked with professional-grade equipment, catering to both the high-intensity demands of leather ball cricket and the popular recreational format of tennis ball cricket for all students.Complementing these facilities, a calendar of frequent competitive events ensures a dynamic atmosphere through regular campus-wide tournaments.

SPORTS AT IIT BHILAI

FOOTBALL

Experience our high-energy football scene on our professional-grade field, conveniently located adjacent to the basketball court. The facility is equipped with modern floodlights for evening sessions, and enthusiasts can easily secure equipment by coordinating with the designated leads. Our campus maintains a welcoming and supportive team environment that encourages players of all levels to participate in regular matches and thrive.

VOLLEYBALL

Join our vibrant volleyball scene , which remains a cornerstone of our campus athletic culture. We offer dedicated outdoor clay courts located within each hostel, complemented by a newly established facility situated near the basketball court. To facilitate consistent play, high-quality volleyballs are readily available through coordination with designated leads or on-site security personnel, ensuring a supportive environment for all participants.

ATHLETICS

Our campus is currently expanding its athletic infrastructure with new facilities under active development, while a versatile multi-purpose ground remains readily available for a variety of track and field activities. This space serves as the primary venue for numerous competitive events during PRAYATNA, our flagship annual sports meet, fostering a spirit of athletic excellence and healthy competition among all participants

SPORTS AT IIT BHILAI

GYM

Elevate your fitness journey at our primary gym facility located above the mess. Our cardiovascular zone is fully equipped with modern treadmills, stationary bicycles, and rowing machines designed for high-endurance training and aerobic health.

For strength training, we offer a comprehensive suite of professional machines, including leg extension and curl stations, shoulder and leg presses, a hack squat machine, and a versatile Smith machine. Our strength floor also features dedicated cable stations, lat pulldowns, and equipment for dips and vertical knee raises.

Athletes can further refine their routines with our extensive range of free weights, featuring a complete set of dumbbells, standard and EZ barbells, and specialized deadlift platforms. We also provide flat and incline benches for chest training, preacher curl benches for isolation work, and high-quality yoga mats for flexibility and recovery.

Starting this year, we have expanded our fitness footprint by introducing dedicated workout spaces within all three campus hostels. These satellite facilities are curated with essential strength equipment, including Smith machines, cable stations, and a versatile selection of free weights to provide convenient training options for all residents
